Interfacing with the IBM Watson Assistant

The image shows a chatbot interface with a yellow background. The chatbot's name is "Chuck". The chatbot's message is "Hi! I'm Chuck. How can I help you today?". There are three suggested responses: "Where do I signup?", "Have issues with Login!", and "See how I can help". At the bottom is a text input field with the placeholder "Type something..." and a send button. At the very bottom is a footer that says "Built with IBM Watson®" and an information icon.
